Mother of God School
Ardeer

Country school in the city
Thank you for your interest in Mother of God School community.

Mother of God School proudly operates in the Brigidine tradition of being faithful to our Catholic heritage; welcoming all, especially the most vulnerable; celebrating all that is good with joy and gratitude; engendering a love of learning; and imaging and practicing justice and service. We provide a safe, caring and supportive learning environment and work to ensure that all students can experience success.

We are proud of our new facilities and our new technologies, but we are most proud of the delightful young people who help make our school such a great place to come every day. We are a small school where all children and families are known by name. Our community garden symbolizes the importance that we place on a strong and healthy partnership between school, families and the community.

You are invited to come and see. If you would like to know more about our school, or want to make an appointment for a school tour, please contact us today.

Regards,

Gerald Modford
Principal
