As teachers and staff at Mother of God School, we aspire to:

- Work in partnership with you to support and extend your child’s learning
- Include your knowledge of how your child learns best as the basis of our partnership with you
- Be inclusive and equitable in our policies, practice and pedagogies
- Include families, children and the community as consultants in the learning process
- Promote democracy, dignity, diversity and dialogue
- Build a sense of belonging and connectedness amongst all in our learning community
- Assist all children to discover how they learn best, acknowledging the academic, creative and reflective nature in us all
- Work with you to develop reflective, strong and compassionate young people that we can all be proud of, and...
- Work with your child to help them to get to know their God and the place of the spiritual in their lives.
