At Mother of God, Religious Education helps me understand who I am and how I live in the world because of the year 6 leadership groups. The year 6 leaders have three groups, Community Outreach, Social Justice and the Environment group. The Community outreach group helps build the community, the Social Justice helps others people and the Environment group helps the environment.

At Mother of God, we give and receive feedback. We give feedback by self-evaluations, asking questions and wondering. (Triet)

At Mother of God, Religious Education challenges me in my thinking because I’m Buddhist and also I could remember the popular events of the year, for example, The Last Supper, Christmas, Easter Good Friday and Palm Sunday.

At Mother of God, religious education helps me to talk about what I believe in by talking with friends, brainstorming and also discussing our learnings with teachers. (Ronald)

In Religious Education at Mother of God I have the opportunity to explore my own questions and ideas by talking to teachers whenever I need help in Religious Education and also researching on the computer or even just reading the Bible.

At Mother of God I learn in many different ways in Religious Education like in drama we had a play called RP meets JC (Restorative Practices meets Jesus Christ) and it had the story of the Good Samaritan, the Prodigal Son and the story of Lazarus. It was fun even though it was Religious Education. (Jenny)
